

Chairman's Report
January 10, 2011

Issues for Board Consideration Over the Coming Months (in no particular order):

- *Comcast* Franchise Renewal
- Establishing a definition for rear yards on corner lots
- Responding to residents' concerns expressed through last year's Resident Survey
- Overseeing the Planning Board's establishment of a Sector Plan for and development in the Chevy Chase Lake area
- Resurgence of the Playspace Committee to determine if and where a playspace might be installed within the Village
- Establishment of guidelines for the review of special permit requests for the demolition of structures
- Establishment of a maintenance plan for the Chevy Chase Open Space property in cooperation with Park & Planning
- Design and implementation of a plan for the West Kirke Street/Laurel Parkway combined public right-of-way
- Development of a Capital Improvements Plan Budget and Program
